

ELECTRONIC INVOICING FORM

The European Parliament with GLN 5488888007925 receives electronic invoices.

Two possibilities exist for suppliers to send electronic invoices to the European Parliament:

1. by sending electronic invoices via the **PEPPOL** network: PEPPOL is the common delivery network chosen to enable the automated issue, transmission and receipt of electronic invoices. It is widely used in EU. Endpoint ID: 0088:5488888007925. Link
2. by recording the invoice in the **EU Funding & Tender Portal** (F&T) of the European Commission. Link
